From the Principal

Dear Parents, Staff, Students and Friends,

Outstanding HSC results for our 2016 cohort. As I write this final newsletter we have just received our HSC results finishing in the top 150 schools and the 19th school in the State for Mathematics. Chris Kim made the All-Rounder List with an ATAR of 99.7, 52 students appeared on the Distinguished achievers list, achieving a Band 6 or a Band E4 in extension subjects, many of whom had 3 or 4 subjects listed. I am very proud of the outstanding results we have achieved this year. It is not all about band 6s. I have had many conversations with teachers about moving students from band 2 to a band 3 or from a band 4 to a band 5. I am very pleased to say that we had 60% of results in Bands 5 and 6 and only 11% in the lower 3 bands 1, 2 and 3 down from 22% last year. I congratulate the students for their hard work that has been justly rewarded and our teachers for their dedication and the many additional hours they have given in support. We are currently getting ATAR results in and will announce our High Achievers in the New Year.

This week we enjoyed our semester awards at the College Presentation Evening. It was a mild 38 degrees as we began our evening and I was pleased to see so many students and families in attendance to recognise the achievements of our students across our academic, sporting and cultural arenas. We were very privileged to have our special guest Mr Zaki Haidari join us. Zaki has lived the experience of being a refugee from Afghanistan. He escaped after his father and brother were killed in separate incidents because of their cultural heritage. He shared his personal story that was both moving and also a powerful reminder of how blessed we are to have basic human rights such as health care and education. Zaki talked of bringing his father's dream of his children being educated to fruition, last year he was named International student of the year for his achievements and his support for other refugees who have found a safe haven here in Australia.

I thank Mr Scanlon for his leadership and organisation. And the many staff and students involved in making the night such a success. I congratulate the many students that have excelled in their academic, sporting and cultural pursuits throughout 2016. Our annual video presentation was created by Jacob Taylor and Jordan Booth, they did a fantastic job, it is available on our Facebook page.

It has been a very busy couple of weeks particularly for Year 10. Our Year 10 Formation day was a great success. I thank Mrs Donaghy for her organisation. The Year 10 Harbour Cruise and the Picnic Day were both fantastic experiences. The students looked stylish and sophisticated on the Monday night. I thank Mr Belcher and Mr Hornby for their organisation leading up to and during the final weeks of Year 10.

Our Year 10 Careers Conference has been 12 months in the planning. Miss Lawrence has worked tirelessly to ensure that the best possible program was available and spent many hours chasing up people to run our job interview process. I thank Miss Lawrence for her enthusiasm and dedication, not only for this event but in working to promote Careers and assisting students right throughout the year.

This year we farewell the following staff: Mr Makram, Mr Blahut, Mr Woelfl, Miss Brennan, Ms Wooster and also Mr Gurney, Mrs Tran, Mr McFarland and Mrs Dumas who have left at different points throughout the year.

We also farewell temporary Staff members; Miss Georgaklis, Mr Birchall, Ms Raffoul, Mrs Westerbrink, Mr Connor, Mr Wilson, Ms Samarasinghe, Mrs Simpson, Mrs Millar and Mr McCarney.

Each of these teachers have made significant contributions to their students in their learning spaces, to a wide variety of extracurricular activities and to the rich Marist Culture here at the College. We wish them every happiness and success as they begin their new journeys.

Congratulations to the community on an outstanding and successful year. We look forward to an exciting 2017 with a theme of "Awakening Strong Minds and Gentle Hearts" recognising the 200th year of Marist Education.

Wishing each of you a very happy and holy Christmas.

.... SEEKING MENTORS

Would you like to give something back to your community?

Catholic Education Diocese of Parramatta's Post School Options Team is looking for suitable employers who can offer one-on-one mentoring in the workplace for secondary students. We are seeking people employed in small businesses who would like to give something back to their community and join this valuable and worthwhile program, on a voluntary basis.

The volunteer mentor, hosts the student in the workplace for one day per week for 2 school terms (May to September, excluding school holidays). The mentor is both a personal and professional role model for the student. All mentors are provided with complimentary mentor training and receive a TAFE Certificate of Attainment 'Mentoring in the Community' for their participation.

Employers can be from any industry, as an individual in a trade area – clerical, administration, hairdressing and beauty or connected to a major employer for example, Bunnings. Or Woolworths etc.

Please consider this call for assistance so that this program can continue to supply a valuable service to students in our Catholic communities. If you would be interested in becoming a mentor or finding out more information, please contact:

YEAR 10 FORMATION DAY

On Friday the 2nd of December, students from Year 10 participated in Formation Day. Students were divided into sixteen groups for the three sessions. Two presenters from the Parramatta Diocese introduced the students to the issue of refugees in detention centres, particularly young children. Students were supplied with a stimulus, created by a detained child, and had to answer questions relating the stimulus to Catholic Social Teachings and International laws such as the Universal Declaration of Human Rights. Each group then presented their answers to the rest of the year. In the second session, groups were divided again based on a random draw and were tasked to re-enact differences between labouring refugees and the common Australian. It allowed students to identify the wealth that they have, and encouraged them to appreciate the items that they have. Furthermore, students were encouraged to be smart when buying products, so that they do not waste materials. In the final session, students were asked to devise an idea that would positively affect either the local or international community. Each fantastic idea put forth was justified and discussed by other groups and the presenters.

Finally I would like to thank the presenters for hosting the day, and for the teachers, particularly Mrs Donaghy, for organising and co-ordinating the day.

Presentation Evening

The first Marist Brothers arrived in Australia on the 'Star of Peace' on 21st February, 1872. On the 8th April, 1872, school commenced at St Patrick's. Our Newsletter is named, 'Star of Peace', as it too, hopefully, brings peace and good news to our community.

2017 Diocesan School Fees

21 November 2016

Dear parents and carers

Please find below the 2017 Diocesan school fees schedule which includes a modest 3.0% increase on the fees from 2016. Every effort has been made to keep the fee increase to a minimum and I am pleased to report that the increase is **less than** the 3.3% education CPI increase for the same period.

School-based fees will also be limited to a 3.0% increase to ensure we have consistency across our Diocese. School-based fees cover the costs of important things such as technology and school administration.

I appreciate that from time to time, some families might experience financial challenges. With this in mind, I take this opportunity to remind you that confidential fee support is available through

- discounts for families with multiple siblings in our schools
- flexible payment plans
- hardship concession policies for families in need
- the Bishop Manning Scholarship Fund
- the Byawalla Co-contribution Scheme for Aboriginal and Torres Strait Islander families.

THE COOLEST CATS ARE COMING!

Following their huge productions of *Joseph and the Amazing Technicolour Dreamcoat* and *Back to the 80's*, Packemin Youth Productions are returning to the Concourse this January for a production of *CATS* like you have never seen before!

CATS tells the story of a tribe of cats called the Jellicles and the night they make what is known as "The Jellicle Choice" and decide which cat will ascend to the Heavyside Layer and come back to a new life.

Composed by Andrew Lloyd Webber, and based on *Old Possum's Book of Practical Cats* by T. S. Eliot, *CATS* is currently the 4th longest running musical on the West End and Broadway and features the iconic musical theatre song "Memory".

Packemin Youth Productions prides itself in providing opportunities for the best young performers in Sydney aged 20 years and under. *CATS* features over 100 young performers, with a senior cast (the Cats) and three alternating junior casts (the Kittens), with Special Guest Star Simon Pryce (The Wiggles, The Phantom Of The Opera) as Old Deuteronomy / Bustopher Jones.

Immerse yourself in life as a Jellicle Cat and let Packemins' Youth take you and your family on a cat-tastic journey!
