### *From the Principal*

Dear Parents, Staff, Students and Friends,

Last night we attended the Annual Association of Australian Marist Schools Oratory competition. The level of competition was as usual extremely high. Students from across all Marist schools in NSW spoke with eloquence, confidence and demonstrated a high level of critical thought. Some challenged our thinking, some entertained us, but all were outstanding ambassadors for their schools. I am very pleased to report that in the overall competition our College finished second. I congratulate all of our speakers who contributed to our overall result.

<b>Year 7:</b>	Anthony Khatchigian (2 <sup>nd</sup> Place)
<b>Year 8:</b>	Joseph Arabit
<b>Year 9:</b>	Emma Gallagher
<b>Year 10:</b>	Rebecca Ozer
<b>Senior:</b>	Joshua Khoudair (3 <sup>rd</sup> Place)
<b>Impromptu:</b>	Dominic Gibson (2 <sup>nd</sup> Place)

I would like to especially thank our staff who have worked with our students in preparation and for their attendance: Mrs Pett, Ms Graham and Ms Gray. I thank Mr Scanlon and our families who came along to support our students and to Marist College North Shore for their warm welcome and hospitality.

It has been a very special week for us here at the College. Last week we had the wonderful privilege of listening to our year 11 students who had nominated to be School Captains for 2017. The standard of speeches was extremely high and I would have been very confident in any one of those students leading our school. It gives me great pleasure to announce our incoming School Captains, Vice Captains, Prefects and House Captains

## The Mission

of Marist schools is to lead young people in the way of Mary, to know and love God in the belief that they all can become good Christians and good Citizens.

On the 5<sup>th</sup> of September, Blessed Mother Teresa was canonised. I doubt there would be anyone who does not know of Mother Teresa, now known as Saint Teresa of Calcutta, nor anyone who would not have been in awe of the incredible gift she was to the poor and forgotten. Throughout her life, she has been a symbol of courage, love and charity. She saw all people the same way through the loving eyes of God and will be remembered for her social work, her humanitarianism and for her selfless charity.

Pope Francis delivered a homily, in which he praised Mother Teresa -- "this emblematic figure of womanhood and of consecrated life" -- for her charitable work.

"Mother Teresa, in all aspects of her life, was a generous dispenser of divine mercy, making herself available for everyone through her welcome and defense of human life, those unborn and those abandoned and discarded," he said.

"She bowed down before those who were spent, left to die on the side of the road, seeing in them their God-given dignity. She made her voice heard before the powers of this world, so that they might recognise their guilt for the crime of poverty they created."

I share with you some of my favourite words by Saint Teresa

*"These are the few ways we can practice humility:*

*To speak as little as possible of one's self.*

*To mind one's own business.*

*Not to want to manage other people's affairs.*

*To avoid curiosity.*

*To accept contradictions and correction cheerfully.*

*To pass over the mistakes of others.*

*To accept insults and injuries.*

*To accept being slighted, forgotten and disliked.*

*To be kind and gentle even under provocation.*

*Never to stand on one's dignity.*

*To choose always the hardest."*

*— Mother Teresa, The Joy in Loving: A Guide to Daily Living*

Yours in Jesus, Mary and St. Marcellin

### **PAT-R TESTING**

Each year across the Parramatta Diocesan Schools, students in Years 7-10 participate in the PAT-R standardised test. At St Patrick's Marist, this comprehension online test will take place during 12<sup>th</sup> September. The PAT-R tests are used to monitor progress in reading comprehension and provide teachers with diagnostic information for setting realistic learning goals and planning effective programs. This assessment enables us to:

- Track students' literacy progress from Year 7 through to Year 10.
- Identify students who require help to develop literacy skills and students who would benefit from literacy extension.
- Use results to confirm school-based assessment.
- Use information, based on the question types, to plan literacy-teaching strategies.

Teaching staff have throughout 2016 been developing various Literacy skills to support student learning in all their subject areas. NAPLAN and PAT-R data provides valuable insights into student literacy and numeracy and their analysis supports all teachers to know their students and how they learn. It is most important that students are reminded that their iPads need to be fully charged each day as the test is completed online.

If you have any questions regarding the PAT-R testing, please do not hesitate to contact me here at the College.

## WINTER SLEEPOUT

On the 2<sup>nd</sup> of September 2016, forty students slept in the La Valla Centre to raise awareness for those living in tough conditions of homelessness and poverty. Some really dedicated Year 12's slept outside to show their solidarity for those without a home in our community. We were asked to bring non-perishable food items to donate to Vinnie's. Some charitable students went a step further and donated pillows, blankets and clothing in the spirit of the recently canonised Mother Theresa.

It was very confronting experience since it made us realise how unfortunate some in our community really are. Homelessness affects all people in our society. Young people and the mentally ill are the most vulnerable and therefore it is extremely important that as a school we continue to participate in the Winter Sleepout and make the future generations aware of the issues faced in our community.

For some it was their first experience of the Winter Sleepout, while for others it may have been their second or third. The constant attendance of students to this event each year is a wonderful reflection of the Catholic values and unity of St Patrick's Marist College as a whole. We as Year 12 students, hope that this event continues to be held each year. It allows students to experience and learn a world unbeknownst to them and help students reflect on their own values and actions.

We would like to thank all the teachers who came to the Winter Sleepout: Mr Paton; Mrs Watters; Mr Moussa; Miss Samarasinghe; Mr Connor; Mrs Donaghy; Mrs O'Neill and a special thanks you to Mrs Watters, Mr Moussa and Mrs Donaghy for their attendance in sleeping the night at the La Valla Centre. Thank you to all the students who participated and donated on the night, your efforts will not go unnoticed.

**Hannah Lyons-Uhl, Lina Kim and Lily Thomas (12 Paul)**

On the 2<sup>nd</sup> of September myself and forty other students from Grades 10 to 12 attended the winter sleep out at the college. It was an opportunity for us to place ourselves in the position of many homeless people who are without necessities that we often take for granted. Although we were in a safe surrounding we still felt the discomfort however, homeless people feel unsafe and insecure every night. Throughout the night the majority of our entertainment came from communication and the presence of others. It was a time to create new friendships and make memories. Resources such as technology and gourmet food were limited and not in use, as we all wanted to take this opportunity to form an understanding of some of the circumstances in which people suffer from on a daily basis. Overall, this beneficial experience allowed myself and many others to take part in raising awareness for homelessness. Although, we all walked out of the La Valla Centre with sore backs, each person felt more humble.

## LEADERS AFTERNOON TEA

On the 16<sup>th</sup> of August, the Student Leadership Team of St Patrick's Marist College hosted the College's first Leader's Afternoon Tea inviting local school leaders to attend. This conference was designed in order to reflect on the year gone by, and how we can ensure successful cohorts in the HSC months ahead. A much cherished Harry Potter theme ensured an incredibly entertaining evening ... and yes, there was a match of Quidditch.

The activities organised by our student leaders challenged all attendees on multiple planes, such as teamwork, communication and problem solving. As the afternoon tea drew to a close, we reflected on the tasks undertaken in the year gone by and prayed for future prosperity. It was an enriching experience to say the least, and we hope this may become a recurring tradition for future leaders.

**YEAR 7****Congratulations to...**

- William Reece (7 Xavier) who came second in the U14s MCS golf tournament last week.
- Alisa Dybal (7 MacKillop) who played in the Gold Ranked Tennis Tournament. Alisa played in the quarterfinals for double and improve her rank to 60<sup>th</sup> in NSW for her age group.

Deanna also sings in a group with 2 other girls and recently came 1<sup>st</sup> in a talent competition in Burwood and will now be performing at the Burwood Festival in October. The girls are inseparable until Nona moves away at the age of nine. By the time she returns, they're in Year 10 and things have changed. Rosie prefers to hang out in the nearby mining town, where she goes to school with the glamorous Selena and her gorgeous older brother, Nick.

## Remar

### REMAR GOLD RETREAT

On Friday 26th of the August, 7 of our Year 12 Remar rowers travelled to the Benedict XVI Retreat Centre for their final Leadership Camp. Over the past three years, this group of students have learnt many things about leadership, service to others, youth ministry and community outreach. The retreat brought together Remar students from Trinity Catholic College in Auburn and Mount Carmel High School Varroville - old friends to our students who have embarked on the journey together since 2014.

The retreat was a great success- filled with contemplative reflection, fun games, and faith building activities. The solidarity that has been created between this group of exceptional students through their journeys together is to be admired and commended.

The motto for our gold rowers this year has been "A Witness in Our Community Through Presence, Perseverance, and Simplicity". It can be said with certainty, that our gold rowers truly embody this ideal. Our rowers will graduate as the first Caravel to complete the Remar program at Saint Patrick's Marist. They will serve as the perfect example for future students who chose to involve themselves in Remar.

### MCS ATHLETICS

This years MCS athletics proved to be a field day for the boys this year with middle distance magicians William Smith (Under 18s) and Luke Gosper (Under 15s) both finishing in 1st for the college in the 1500m event. Luke set a new record in the event and also took home the 800m race for good measure. Both will compete at the next level CCC along with Daniel Menin who won the under 14s Discus event in an impressive display and Sehan Samaragunaratna who won the under 13s Long Jump and placed second in his 100m sprint in his first year of MCS. Other highlights included the numerous placing's and personal best achievements made by the boys, which saw even Mr Paton crack a smile. The event itself this year was organised by the College, which to no surprise ran as smooth as ever. This could

not of been possible without the countless efforts of Miss Liska behind the scenes as well as Mr Paton, Mr Belcher, Mr Connor, Miss Scott and Miss Samarasinghe who all helped in the running of the day. Special thanks also to the Year 10 Pass who assisted all day. It was sure one of the finer days for the college in Athletics and credit to the boys, who showed their school spirit by giving there all in representing the College. It was a pleasure to represent the school in our final year along side a great group of talented athletes.
